

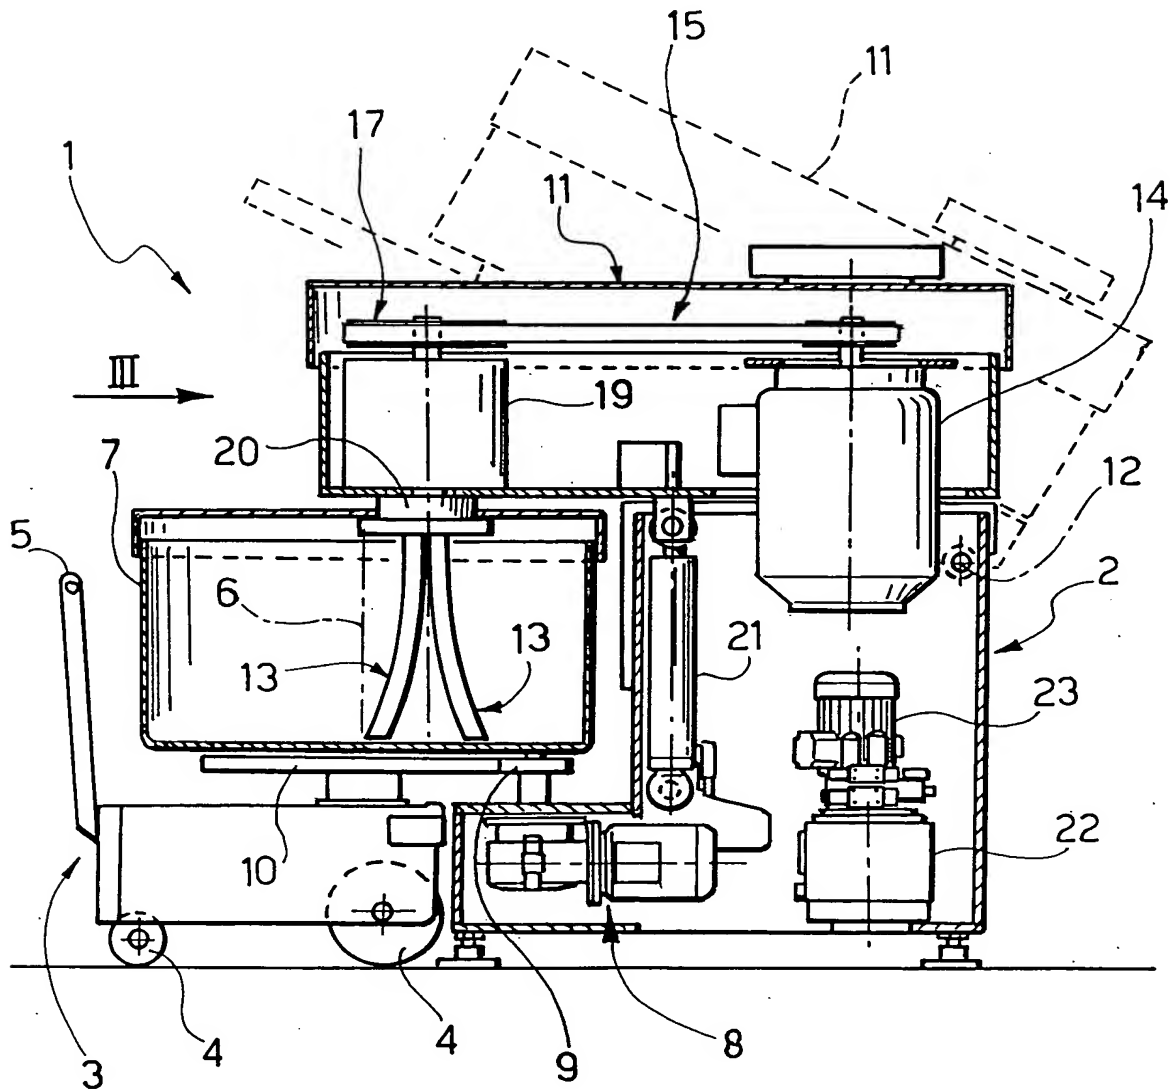

FIG. 1

A technical drawing of a camera, likely a rangefinder, shown in a side profile view. The drawing includes various components labeled with numbers 3 through 19. The camera body is shown with a lens assembly on the left and a viewfinder on the right. The lens assembly includes a lens element (3), a lens mount (5), and a lens barrel (6). The viewfinder assembly includes a viewfinder window (16), a viewfinder prism (17), and a viewfinder eyepiece (18). The camera body is shown with a top plate (11) and a bottom plate (12). The drawing also shows the internal mechanism of the camera, including the shutter release (19) and the viewfinder prism (17). The drawing is a line drawing with dashed lines indicating internal components and solid lines indicating external components.
